

ICOLD

Annual Meeting 2023

INVITATION to sponsors & exhibitors

11–15 June, The Swedish Exhibition Centre, Gothenburg

WELCOME TO GOTHENBURG, SWEDEN 11–15 June 2023

Dear colleagues, it is an honor for the Swedish National Committee of ICOLD, SwedCOLD, to extend an invitation to host the 90th ICOLD Annual Meeting Gothenburg in June 2022.

Since the foundation of ICOLD SwedCOLD has successfully hosted three ICOLD events; the first Congress in 1933, the third Congress in 1948 and the Annual Meeting in 1981. The relationship between ICOLD and the Swedish hydropower and mining industries has always been important to us, and has provided a good international base for our work. In Sweden this is of special importance as the hydropower provides close to 50 % of all electricity in the country, and the mining industry is considered to be strategically important and the prerequisite for many of the other industrial activities in the country.

It would be a pleasure to welcome all delegates to the city of Gothenburg, and to technical tours visiting various hydropower and tailings dam projects in Sweden as well as the rich nature, cultural and tourist attractions.

The conference will take place at the convention centre Svenska Mässan, centrally located Gothenburg, with everything the town can offer at walking distance. Gothenburg is the heart of Scandinavia, located on the Swedish west coast, with direct connections to most major cities in Europe. This document describes all sponsorship and exhibiting opportunities: we will be happy to discuss them with your organization!

On behalf of the Organising Committee, we welcome you at ICOLD 2023!

Anders Isander
Chairman Organizing Committee

Maria Bartsch/President
SwedCOLD

WHY BECOME A SPONSOR OR AN EXHIBITOR?

The conference offers unique sponsorship opportunities for your company and your brand as it provides a great international exposure at this annual event. This time in Sweden! We believe this possibility to participate and cooperate in an international event of this magnitude is something that would be of benefit to you as a company but also it will further the industry and help improving our work and efforts as e.g. dam owners, service providers, suppliers or regulators. As a sponsor you can get a good exposure of your company's services and also contribute to the arrangement in many different ways. As an exhibitor you will get the opportunity to showcase your products or services at an event that draws a big international attention.

CONGRESS VENUE

The congress will take place at the Swedish Exhibition & Congress Centre ("Svenska Mässan"), which is located right in the city center of Gothenburg in close proximity and walking distance to virtually everything. Every year, around 1.8 million people from all over the world choose to visit the Swedish Exhibition & Congress Centre to meet, eat and stay and develop business, products or ideas.

The Swedish Exhibition & Congress Centre also owns and operates Hotel Gothia Towers, one of the largest hotels in Scandinavia and one of Sweden's largest restaurant operations, including the highly reputed Heaven 23, and West Coast.

When you hold your event with us, you can rest assured that the venue meets strict international sustainability standards. We use the same certification that was used at the Olympic Games in London in 2012, ISO 20121. This standard was specially designed for sustainable events.
